## Guidelines for filling the Subject Choice Form:

- 1) A student has to select 6 subjects.
- 2) Apart from the above, the core requirements: TOK, CAS and EE are compulsory.
- 3) 3 HL (High Level) and 3 SL (Standard Level) subjects, generally, one from each group.
- 4) HL entails 240 hours and SL entails 150 hours of teaching.
- 5) Each subject can be selected only at one level: HL or SL .
- 6) In case a student does not want to select Group VI at all, he or she has the option of selecting an additional subject from Group III or IV.
- 7) Math Analysis and Approaches (MAA) is for students who are interested in Mathematics, Engineering, Physical Sciences and some Economics. It has emphasis on Algebraic methods.  
  
Math Applications and Interpretation (MAI) is for students who are interested in Social Sciences, Natural Sciences, Medicine, Statistics, Business, Engineering, Some Economics, Psychology and Design. It has emphasis on Modelling and Statistics.
- 8) Spanish B and French B is offered to students who have already studied Spanish and French and can read, write and respond in the Language.
- 9) An Interdisciplinary subject ESS (Environmental Systems & Societies) can be taken from either Group III or Group IV.
- 10) Universities specify the subject combinations and grades as prerequisites for admissions into different courses. Hence, do your homework well.
- 11) Final selection of levels in subjects can be made till the school has finished 4 weeks of teaching.  
12) This will be done in consultation with the teachers, students and parents.

## Questionnaire for the Applicant

**1) How would you introduce yourself?** (State your aims, expectations from life, hobbies, likes and dislikes, any philosophy you believe in)

My name is Karthik Uchil and I am a student at Smt Sulochanadevi Singhania School. My aim in life is to be an independent person and make a good impression on the people around me. My expectation from life is to help me overcome various kinds of challenges that I may experience throughout my life, and even help me meet new people. My hobbies include watching science fiction shows and movies and also listening to vintage music and even sports. On the flip side, I am not a fan of reading books or magazines but I like reading comics. I as such don't believe in any philosophy but I find metaphysics interesting and fills me with curiosity.

**2) Why did you choose to do an IBDP?**

I happened to hear about IBDP from a classmate whose brother had chosen IBDP and he told me it helped him in choosing a good university abroad. I believe that IBDP has much to offer in the fields of science and literature and prepares us better for the future. It has been my dream to study at a university in the UK. And I also believe it will be a new experience for me.

**3) Have you any special achievements in the field of sports/ cultural activities/ community service etc?**

I have taken part in various extracurricular activities that include the school basketball team, I have been playing basketball for more than 8 years and have played numerous tournaments representing our school and have even been in the selection camp for the states and been a runner-up for the junior NBA tournament. I am also a NCC cadet representing our school and am a senior cadet. I have also been selected for the ganga house team in Basketball, Tug of War, shot-put, discus, and kabaddi. I have also been a member of an NGO called Remove the Rag for the past 2 years.

**4) Mention a person or an incident that has impacted your thoughts, actions and personality. Explain how you have been influenced.**

Kobe Bryant a person who deeply influenced me and my favourite basketball player who had recently been a victim of a plane crash in 2020. His mottos for life, his quotes, his dedication and his persistence made him a perfect role model. I was influenced by one of his famous quotes that made me choose basketball as my favourite game "The moment you give up is the moment you let someone else win." Basketball has deeply influenced me in my life, it has helped me calm down, help me make lifetime friends and build up my character.

**5) The fears and challenges that you need to overcome.**

My main fear in life is being left out and losing close friends and family and the main challenge that I need to overcome is my anger and able to control it.
