Guidelines for filling the Subject Choice Form:

- 1) A student has to select 6 subjects.
- 2) Apart from the above, the core requirements: TOK, CAS and EE are compulsory.
- 3) 3 HL (High Level) and 3 SL (Standard Level) subjects, generally, one from each group.
- 4) HL entails 240 hours and SL entails 150 hours of teaching.
- 5) Each subject can be selected only at one level: HL or SL .
- 6) In case a student does not want to select Group VI at all, he or she has the option of selecting an additional subject from Group III or IV.
- 7) Math Analysis and Approaches (MAA) is for students who are interested in Mathematics, Engineering, Physical Sciences and some Economics. It has emphasis on Algebraic methods.

Math Applications and Interpretation (MAI) is for students who are interested in Social Sciences, Natural Sciences, Medicine, Statistics, Business, Engineering, Some Economics, Psychology and Design. It has emphasis on Modelling and Statistics.
- 8) Spanish B and French B is offered to students who have already studied Spanish and French and can read, write and respond in the Language.
- 9) An Interdisciplinary subject ESS (Environmental Systems & Societies) can be taken from either Group III or Group IV.
- 10) Universities specify the subject combinations and grades as prerequisites for admissions into different courses. Hence, do your homework well.
- 11) Final selection of levels in subjects can be made till the school has finished 4 weeks of teaching.
12) This will be done in consultation with the teachers, students and parents.

Questionnaire for the Applicant

1) How would you introduce yourself? (State your aims, expectations from life, hobbies, likes and dislikes, any philosophy you believe in)

I find joy in dance and my hobbies include art and literature for which I hope to be able to write a story of my own someday. I love watching shows and reading fiction but I tend to stay away from a lot of non-fiction as I find it rather draining. I have a growing interest in art and literature philosophy as well as psychology. I don't believe in any philosophy but I will keep exploring and find something I can believe. My aim so far right now for the future is to be able to create something, a story or a performance maybe but as I keep growing I want to find that clarity and make an impact.

2) Why did you choose to do an IBDP?

I chose IBDP because I want to challenge myself and grow outside of just my interests as well as enhance my skills for the upcoming future.

3) Have you any special achievements in the field of sports/ cultural activities/ community service etc?

I have competed twice (2019 and 2022) with my dance studio for an international dance competition named The Great Indian Ballet Competition (GIBC) and won 1st both times with my groups. I was rewarded the highest grade in the ACB Syllabus (Australian Conservatoire Of Ballet) year end examinations in 2023.

4) Mention a person or an incident that has impacted your thoughts, actions and personality. Explain how you have been influenced.

I don't have a particular incident that has truly impacted me in a big way but I have found Inspiration in the people around me for instance my friends, family members and teachers who have throughout my life helped me improve and become who I am today.

5) The fears and challenges that you need to overcome.

A few challenges I face now and then would be my short stamina and focus plus lack of punctuality which I will work to overcome.
