## Guidelines for filling the Subject Choice Form:

- 1) A student has to select 6 subjects.
- 2) Apart from the above, the core requirements: TOK, CAS and EE are compulsory.
- 3) 3 HL (High Level) and 3 SL (Standard Level) subjects, generally, one from each group.
- 4) HL entails 240 hours and SL entails 150 hours of teaching.
- 5) Each subject can be selected only at one level: HL or SL .
- 6) In case a student does not want to select Group VI at all, he or she has the option of selecting an additional subject from Group III or IV.
- 7) Math Analysis and Approaches (MAA) is for students who are interested in Mathematics, Engineering, Physical Sciences and some Economics. It has emphasis on Algebraic methods.  
  
Math Applications and Interpretation (MAI) is for students who are interested in Social Sciences, Natural Sciences, Medicine, Statistics, Business, Engineering, Some Economics, Psychology and Design. It has emphasis on Modelling and Statistics.
- 8) Spanish B and French B is offered to students who have already studied Spanish and French and can read, write and respond in the Language.
- 9) An Interdisciplinary subject ESS (Environmental Systems & Societies) can be taken from either Group III or Group IV.
- 10) Universities specify the subject combinations and grades as prerequisites for admissions into different courses. Hence, do your homework well.
- 11) Final selection of levels in subjects can be made till the school has finished 4 weeks of teaching.  
12) This will be done in consultation with the teachers, students and parents.

## Questionnaire for the Applicant

**1) How would you introduce yourself?** (State your aims, expectations from life, hobbies, likes and dislikes, any philosophy you believe in)

As a student, my primary aim is to excel in my studies and acquire the knowledge and skills that will help me pursue my dreams in the future. I am particularly interested in English, and I aspire to be a writer or a musician. Education is not just about grades for me; it's a stepping stone towards achieving my goals.

In addition to academics, I have a passion for music and sports. Whether it's reading books, playing a musical instrument, or engaging in sports, these activities not only provide me with joy but also serve as a way to relax and unwind. I believe that having a balance between academics and extracurricular activities is crucial for holistic development.

**2) Why did you choose to do an IBDP?**

IBDP offers a global curriculum that encourages students to think internationally and consider multiple perspectives. I understand that a lot of things are taught in a practical manner rather than just theoretical. I strongly feel that's the right mode of education.

**3) Have you any special achievements in the field of sports/ cultural activities/ community service etc?**

Have got multiple medals and awards in Skating and Badminton.

Have completed three level of Trinity exam with 1st division

**4) Mention a person or an incident that has impacted your thoughts, actions and personality. Explain how you have been influenced.**

My cousin sister faced a significant challenge when she experienced a brain stroke at the young age of 16. Witnessing her journey from struggling with mobility, almost limping, to making a complete recovery and getting back into action with full vigor was truly inspiring. Her unwavering positivity and never-give-up attitude have left a lasting impression on me. She is a living example of resilience and the power of maintaining a hopeful outlook even in the face of adversity. Her story motivates me to approach life with a similar determination and optimism, reminding me that challenges can be overcome with the right mindset and perseverance.

**5) The fears and challenges that you need to overcome.**

I need to build up more confidence of presenting my views and thoughts in a clear perspective in front of others. Stage fright.
