Questionnaire for the Applicant

1) How would you introduce yourself? (State your aims, expectations from life, hobbies, likes and dislikes, any philosophy you believe in)

I am Neil Sheth. My aim in life is to make a positive change in the world of the future and make it a better place to live. I have a deep-rooted passion for sports. The discipline, dedication and non-stop work has always fascinated me, and I try to apply that in my daily life. I believe that this not only reflects in a sport, but also every other aspect of life.

2) Why did you choose to do an IBDP?

I chose IBDP because I like IB's way of learning. I feel IB lets their students have a more personal touch in the work, learning and projects. I also feel IB lets their students follow what they enjoy doing by letting them choose the subjects they have a passion for at a level they want to learn it at. So after choosing IBDP, I looked for good IB schools and Singhania was one of the most trusted ones.

3) Have you any special achievements in the field of sports/ cultural activities/ community service etc?

I've been receiving tennis lessons for 6 years, though I have no achievements to talk about.

4) Mention a person or an incident that has impacted your thoughts, actions and personality. Explain how you have been influenced.

I think my personality and thought process has been greatly influenced by my father in how he does his work. Just like him, if I find a solution to a problem, whether it is a practical one or whether it comes to my studies, I have to do it right then and there. Also, if a problem comes up, I will not get away from it till I figure out a solution.

5) The fears and challenges that you need to overcome.

One challenge that I need to overcome is the habit of putting things off for the last minute. I notice that I tend to prioritise work that I enjoy doing instead of work that needs to be done within a specific period of time.
