Questionnaire for the Applicant

1) How would you introduce yourself? (State your aims, expectations from life, hobbies, likes and dislikes, any philosophy you believe in)

I believe that I am a type of person who likes the sense of nature and going with the flow. Even though I accept the things this world has to offer me, I like to take control wherever I can as long as no one is at harm. This helps me be open-minded, and at the same time assertively express my opinions. My aim in life at this stage is to gain as much knowledge as I can so that I can eventually apply them in the future. I feel like life can be lived in many different ways as there are so many perspectives to it. I myself tend to have varied opinions on a particular subject, creating a broader range of ideas. As for my hobbies, I like to sing and write my own songs. I also like to play sports such as football and participate in track events. In general, I like Italian and Asian food. I love exploring different aesthetics through makeup styles as I also love creating art on my face.

2) Why did you choose to do an IBDP?

I have been following the IB curriculum for a long time and I would like to continue to do so as it has helped me with my overall development through different aspects. These aspects include learner profile attributes and the ATL Skills that I have imbibed over the years. It creates a sense of international mindedness and encourages me to not just depend on mere textbooks but also explore the world using various mediums of communication.

3) Have you any special achievements in the field of sports/ cultural activities/ community service etc?

Well, I have achieved prizes in inter-school and intra-school for singing that meant a lot to me. This is because they were like tokens of motivation that reminded me to do my best. I was in my school football and basketball team where we won tournaments against other schools. I was a part of my school's cultural committee where I led the Teacher's day celebration and Halloween. I was the CEO for the Litfest in our school which was great.

4) Mention a person or an incident that has impacted your thoughts, actions and personality. Explain how you have been influenced.

The person that has influenced me is Lisa from Blackpink. She is a person I look up to because of her creative ability and determination. She had worked hard to be a part of this Kpop group and spent hours into enhancing her talent. She is also a fashion icon that knows how to create a positive presence in the places she goes. Blackpink is the reason why I started singing in 2019. I loved their songs and how they shine uniquely.

5) The fears and challenges that you need to overcome.

Although, I like to sing and perform, I sometimes get shy on stage. I feel like I have improved with my stage presence a lot since the past year, but I can always be better. So the fear of singing in front people is something I have to overcome.
