## Guidelines for filling the Subject Choice Form:

- 1) A student has to select 6 subjects.
- 2) Apart from the above, the core requirements: TOK, CAS and EE are compulsory.
- 3) 3 HL (High Level) and 3 SL (Standard Level) subjects, generally, one from each group.
- 4) HL entails 240 hours and SL entails 150 hours of teaching.
- 5) Each subject can be selected only at one level: HL or SL .
- 6) In case a student does not want to select Group VI at all, he or she has the option of selecting an additional subject from Group III or IV.
- 7) Math Analysis and Approaches (MAA) is for students who are interested in Mathematics, Engineering, Physical Sciences and some Economics. It has emphasis on Algebraic methods.  
  
Math Applications and Interpretation (MAI) is for students who are interested in Social Sciences, Natural Sciences, Medicine, Statistics, Business, Engineering, Some Economics, Psychology and Design. It has emphasis on Modelling and Statistics.
- 8) Spanish B and French B is offered to students who have already studied Spanish and French and can read, write and respond in the Language.
- 9) An Interdisciplinary subject ESS (Environmental Systems & Societies) can be taken from either Group III or Group IV.
- 10) Universities specify the subject combinations and grades as prerequisites for admissions into different courses. Hence, do your homework well.
- 11) Final selection of levels in subjects can be made till the school has finished 4 weeks of teaching. This will be done in consultation with the teachers, students and parents.
- 12)

## Questionnaire for the Applicant

**1) How would you introduce yourself?** (State your aims, expectations from life, hobbies, likes and dislikes, any philosophy you believe in)

My name is Aditya Shirish Vaidya and I would like to work for the welfare of my country and my fellow Indian Citizens. Being an integral part of the nation changing process has always been a dream of mine. By studying the subjects related to Finance and Global Polity, I want to make my contribution to India by helping it to grow more stronger in monetary aspects and assume its role as a world superpower. My expectations and aims in life include :

1) Contribution to India : I would like to become someone who plays a substantial role in the growth of economy of the Indian Subcontinent. I would like to be remembered for the work I would have put in for the growth of my nation.

2) Money : I want to earn an ample amount of money to provide for my parents in their golden years so that they can live out their retirement peacefully after all they have done for me.

3) Physical and Mental Fitness : I would prefer to lead a healthy and happy life until the end of my days surrounded by loved ones,

I strongly believe in the Hindu philosophy of Karma which is the principle of cause and effect. Karma dictates that good intentions and good deeds result in prosperity and a joyful living. I interpret the philosophy of Karma to be a fuel to put in greater effort in my studies. I also believe in the philosophy of Realism. Realism is the intermediate path of life between Optimism and Narcissism. Following Optimism and believing that something good will transpire without applying any efforts in this day and age is not a valid solution for the problems that life puts before us. Adopting Narcissism and giving up hope and faith because of a minor or major setback is also an invalid way of life. To be levelheaded, calm and composed in the face of failure is what Realism teaches the Human Mind .

My Hobbies include :-

1) Working Out : Exercising and consuming a healthy diet is essential for people of all ages. I indulge in Cardiovascular exercises such as Cycling and Running. I also practice bodyweight and muscular exercises such as Push Ups, Pull Ups, Chin Ups, Calf Raises, Squats and Sit ups.

2) Reading : I have read the following books -

i. Mein Kampf (by Adolf Hitler) which provides an insight on Hitler's principles.

ii. Arthashastra (by Kautilya) which tells the reader about medieval polity and policies

iii. Why I Killed Gandhi (by Nathuram Godse) narrates Nathuram Godse's arguments on the reasons he shot and killed Mohandas Karamchand Gandhi.

iv. The Shining, Everything's Eventual and IT (by Stephen King)

v A Song of Ice and Fire Books (by George R.R Martin)

vi. The Lord of The Rings ( by J.R.R Tolkien )

vii. The Harry Potter Series

viii. Rich Dad Poor Dad (by Robert Kiyosaki)

ix. The Shiva Trilogy (by Amish)

x. Twenty Thousand Leagues under the Sea (by Jules Verne)

xi. Treasure Island ( by Robert Louis Stevenson)

The examples listed above are just some of the books i have read through my academic journey of school life.

3) Sports : I play Badminton and Cricket. Badminton is my favorite sport as it builds speed, agility and strength.

I like spending time with my family and friends. I love the monsoon season which brings with it the fragrant smell of fresh wet soil and soaked leaves. Drinking Tea with Biscuits with my parents in the

evening while looking at the gray gloomy sky will always be my fondest memory. Playing football and video games with my friends is always a joyful occasion.

I would say that I am a hard working , fun - loving , humble, resourceful and an empathetic student.

## **2) Why did you choose to do an IBDP?**

I have chosen to do an IBDP ( International Baccalaureate Diploma Programme ) as it provides international exposure and a way of education which is very globalized. IBDP is recognized by universities in the countries of Australia , Austria , Canada , France , Germany , Italy , India, Russia , Spain , England and the U.S. which are developed and provide a higher standard of education.

IBDP provides : -

1) Analytical Thinking : Subjects like CAS provide a deeper level of thinking and lead to an increase in experience of solving complex problems.

2) Freedom : Subjects like EE enable students to make analogies of their own , interpret lessons in their own ways and link learning with real life.

3) Globalization : IBDP teaches students to be inclusive and helps them explore more cultures different than their own.

4)Time Management : IB Diploma is a rigorous and challenging course which helps children to establish time tables for their everyday life.

5)University Admissions : IBDP provides an academic curriculum which corresponds with the curriculum of prestigious foreign universities such as Harvard, Yale etc.

6) Research Skills : The Extended Essay promotes research abilities and independent learning  
Therefore, doing an IBDP would greatly help me grow as a person and achieve my life goals.

## **3) Have you any special achievements in the field of sports/ cultural activities/ community service etc?**

None as of now.

## **4) Mention a person or an incident that has impacted your thoughts, actions and personality. Explain how you have been influenced.**

A person who has influenced my thoughts, actions and personality is the Portuguese World Class Footballer Cristiano Ronaldo. He has taught me determination, striving for success and aspiring to be at the top of my field i.e. studying. He is the leading goal scorer in the world at the age of 39 ! He started out his football career at the age of 17 at Sporting Lisbon, a Portuguese football club. Even at the age of 39 , he is at the peak of his physical fitness. His work ethic, fame and healthy lifestyle have greatly influenced me positively. Ronaldo was the original reason I started working out and working hard to be successful in sports and academic activities.

## **5) The fears and challenges that you need to overcome.**

Fears and Challenges I need to overcome are : -

1) Anxiety of exams

2) Fear of Public Speaking

3)Fear of meeting new people

4)Being too self critical

5)Apprehension towards new places
