## Questionnaire for the Applicant

**1) How would you introduce yourself?** (State your aims, expectations from life, hobbies, likes and dislikes, any philosophy you believe in)

My name is Krithika Arun, I'm a tenth grader studying in Hiranandani Foundation School Thane. I'm an avid reader and have a keen interest in drawing and illustration. I use art as my therapy and a medium of stress relief and as a form of visual communication. I am an avid film enthusiast who enjoys not only watching movies but also critically analyzing and discussing them. I find great pleasure in exploring different types of storytelling, cinematography, and character development within films. My likes include reading novels, travelling, baking, rewatching tv shows and watching dramas. My dislikes include crowded places, unreliable people and lack of organisation. The only thing I expect from life is happiness and success in whatever field I choose to do and I'm willing to do whatever it means to achieve it. A personal motto that I believe in is "Do the Next right thing". When I'm lost or confused, frustrated on what to do next I like to think of what the next right thing is and take life step by step.

**2) Why did you choose to do an IBDP?**

IBDP provides me a flexible and a more broad curriculum which will help me test my creative boundaries. The subject choices are suitable and increases my prospects of personal growth too. This board encourages critical thinking and research skills which will help in various ways like problem solving and Analytical skills which are skills I want to develop and explore.

**3) Have you any special achievements in the field of sports/ cultural activities/ community service etc?**

My Achievements Include:

- I have worked towards improvement of schools in the Shahapur area with my father
- successfully completed my Prarambhik Bharathanatyam exam and passed with first grade.
- Attained Distinction in Initial and Grade 1 Electronic Keyboard administered by Trinity Collage
- I have also given Trinity Exam for Grade 3 Rock and Pop Vocals and passed with Distinction.

**4) Mention a person or an incident that has impacted your thoughts, actions and personality. Explain how you have been influenced.**

A person who has really impacted me heavily and played a really vital role in shaping me into the person I am today is my 5th grade class teacher. Her optimistic and confident nature inspired me to explore and come out of my shell. She urged me to come out of my comfort zone and participate in a music competition. And it was because of her support I had won my first competition. I still remember her running towards me with a big smile lighting her face as the results were announced. She had sown seeds of my new found passion and I will forever be grateful to her for pushing me to participate and let me be seen.

**5) The fears and challenges that you need to overcome.**

Activities such as public speaking and networking have always scared me, and I feel that I consistently shy away from opportunities due to the fear of confrontation. This is something I hope to overcome in the near future. I am actively working on myself and developing better social skills to become the person I aspire to be.
