Guidelines for filling the Subject Choice Form:

- 1) A student has to select 6 subjects.
- 2) Apart from the above, the core requirements: TOK, CAS and EE are compulsory.
- 3) 3 HL (High Level) and 3 SL (Standard Level) subjects, generally, one from each group.
- 4) HL entails 240 hours and SL entails 150 hours of teaching.
- 5) Each subject can be selected only at one level: HL or SL .
- 6) In case a student does not want to select Group VI at all, he or she has the option of selecting an additional subject from Group III or IV.
- 7) Math Analysis and Approaches (MAA) is for students who are interested in Mathematics, Engineering, Physical Sciences and some Economics. It has emphasis on Algebraic methods.

Math Applications and Interpretation (MAI) is for students who are interested in Social Sciences, Natural Sciences, Medicine, Statistics, Business, Engineering, Some Economics, Psychology and Design. It has emphasis on Modelling and Statistics.
- 8) Spanish B and French B is offered to students who have already studied Spanish and French and can read, write and respond in the Language.
- 9) An Interdisciplinary subject ESS (Environmental Systems & Societies) can be taken from either Group III or Group IV.
- 10) Universities specify the subject combinations and grades as prerequisites for admissions into different courses. Hence, do your homework well.
- 11) Final selection of levels in subjects can be made till the school has finished 4 weeks of teaching.
12) This will be done in consultation with the teachers, students and parents.

Questionnaire for the Applicant

1) How would you introduce yourself? (State your aims, expectations from life, hobbies, likes and dislikes, any philosophy you believe in)

I am Viaan Tayade and I aspire to be an Investment Banker. I look forward to the IBDP and pursue higher studies in one of the Ivy league universities in USA. My hobbies are fitness, sports, dance and cooking. I don't like to be late, I always try to be punctual. The thought which motivates me comes from a quote which says "Success is a product of consistency. It is about doing things continuously until you have mastered it."

2) Why did you choose to do an IBDP?

IBDP will help me get a broader perspective about the curriculum that is followed abroad as I wish to go to the US for my higher education. It will also help me develop research and analytical skills for my future studies and career.

3) Have you any special achievements in the field of sports/ cultural activities/ community service etc?

I was elected as House Captain in the X grade and led my house to the second position in the House Cup. I was also a part of my school cricket team where I won the man of the match award in a tournament. I also participated in several events and competitions held at school for which I received the "All Rounder" certificate as well.

4) Mention a person or an incident that has impacted your thoughts, actions and personality. Explain how you have been influenced.

I consider my Math teacher as a mentor whose methods of teaching helped me gain interest in Mathematics. Also, his humbleness and discipline inspired me to improve my lifestyle and to be more focused in everything I do.

5) The fears and challenges that you need to overcome.

I do not have any fears as of now. There may be a few challenges when I go abroad for higher studies for which I am doing my research to understand the culture and lifestyle of the students and people living in the US.
