Guidelines for filling the Subject Choice Form:

- 1) A student has to select 6 subjects.
- 2) Apart from the above, the core requirements: TOK, CAS and EE are compulsory.
- 3) 3 HL (High Level) and 3 SL (Standard Level) subjects, generally, one from each group.
- 4) HL entails 240 hours and SL entails 150 hours of teaching.
- 5) Each subject can be selected only at one level: HL or SL .
- 6) In case a student does not want to select Group VI at all, he or she has the option of selecting an additional subject from Group III or IV.
- 7) Math Analysis and Approaches (MAA) is for students who are interested in Mathematics, Engineering, Physical Sciences and some Economics. It has emphasis on Algebraic methods.

Math Applications and Interpretation (MAI) is for students who are interested in Social Sciences, Natural Sciences, Medicine, Statistics, Business, Engineering, Some Economics, Psychology and Design. It has emphasis on Modelling and Statistics.
- 8) Spanish B and French B is offered to students who have already studied Spanish and French and can read, write and respond in the Language.
- 9) An Interdisciplinary subject ESS (Environmental Systems & Societies) can be taken from either Group III or Group IV.
- 10) Universities specify the subject combinations and grades as prerequisites for admissions into different courses. Hence, do your homework well.
- 11) Final selection of levels in subjects can be made till the school has finished 4 weeks of teaching.
12) This will be done in consultation with the teachers, students and parents.

Questionnaire for the Applicant

1) How would you introduce yourself? (State your aims, expectations from life, hobbies, likes and dislikes, any philosophy you believe in)

I am Neil, 15 years of age. My aim is to build an organization and provide employment to people thereby creating a social as well as economic impact. My hobbies are reading especially about mythology, self help books and about leaders. I dislike arrogance. I love being with friends, family. One philosophy that i believe is every human can innovate and do something good for mankind. Leave a legacy behind

2) Why did you choose to do an IBDP?

IBDP is one of the options which can help me grow professionally and personally. It will help me gain a global perspective and improve my critical thinking skills. IBDP also gives me an option to choose both science and economics.

3) Have you any special achievements in the field of sports/ cultural activities/ community service etc?

In the field of sports, I have indulged in Gymnastics, Taekwondo, Football, Skating. I was an above average player in Skating and Gymnastics. In community service i have been part of the Interact Club during which we have done activities like health checkup camps, orphanage visits. Cultural activities - participation in annual day events.

4) Mention a person or an incident that has impacted your thoughts, actions and personality. Explain how you have been influenced.

My Parents have impacted my thoughts, actions and personality. I have learnt patience, resilience, thinking with a calm mind, never giving up, humility, thinking logically from my mother. My mother has also taught me to be grateful and giving in life. From my father i have learnt creativity, humour, open mindedness.

5) The fears and challenges that you need to overcome.

Challenge that i need to overcome is to get more disciplined. I can be lethargic at times and tend to procrastinate. I also need to gain confidence in public speaking
