Questionnaire for the Applicant

1) How would you introduce yourself? (State your aims, expectations from life, hobbies, likes and dislikes, any philosophy you believe in)

I am a fun loving girl who loves to travel and explore new places and cultures, connecting with new people and making new friends. Love dancing as a hobby, and my philosophy has always been 'No gain without Pain' to achieve your goals sacrifice and hard work is the only way forward.

2) Why did you choose to do an IBDP?

I chose to do IBDP because I really liked their approach towards learning which has an emphasis on research and understanding of the child which is different from the traditional Indian education system. I also liked the wide range of subjects and I have the option to choose what I like. I think IBDP will prepare me to face the real world.

3) Have you any special achievements in the field of sports/ cultural activities/ community service etc?

Won a an AISM zonal level essay writing competition. part of a student exchange program called EUMIND (Europe meets India) for which I travelled to Belgium for 10 days with my school. REPRESENTED SCHOOL AND FINALIST IN TED COMPETITION, GOOD ORATOR ALWAYS WINNING SCHOOL DEBATES / ELOCUTION COMPETITIONS.

4) Mention a person or an incident that has impacted your thoughts, actions and personality. Explain how you have been influenced.

In my 10th Grade Annual day program, I played the role of Shivaji Maharaj. It was very challenging for a girl to step into the shoes of such a great leader but my teachers had that vision and with their trust and parent's support i could pull on that character so well and got lot of appreciation from everyone and that is when I learnt that it takes lot of hard work and dedication to achieve something or to overcome challenges . It really impacted me in a great way.

5) The fears and challenges that you need to overcome.

My greatest fear is the ' fear of failure ' I always want to strive for the best. my greatest challenge would be translating all my ambitions to reality which can be done through hard work and dedication
