## **Guidelines for filling the Subject Choice Form:**

- 1) A student has to select 6 subjects.
- 2) Apart from the above, the core requirements: TOK, CAS and EE are compulsory.
- 3) 3 HL (High Level) and 3 SL (Standard Level) subjects, generally, one from each group.
- 4) HL entails 240 hours and SL entails 150 hours of teaching.
- 5) Each subject can be selected only at one level: HL or SL .
- 6) In case a student does not want to select Group VI at all, he or she has the option of selecting an additional subject from Group III or IV.
- 7) Math Analysis and Approaches (MAA) is for students who are interested in Mathematics, Engineering, Physical Sciences and some Economics. It has emphasis on Algebraic methods.  
  
Math Applications and Interpretation (MAI) is for students who are interested in Social Sciences, Natural Sciences, Medicine, Statistics, Business, Engineering, Some Economics, Psychology and Design. It has emphasis on Modelling and Statistics.
- 8) Spanish B and French B is offered to students who have already studied Spanish and French and can read, write and respond in the Language.
- 9) An Interdisciplinary subject ESS (Environmental Systems & Societies) can be taken from either Group III or Group IV.
- 10) Universities specify the subject combinations and grades as prerequisites for admissions into different courses. Hence, do your homework well.
- 11) Final selection of levels in subjects can be made till the school has finished 4 weeks of teaching. This will be done in consultation with the teachers, students and parents.
- 12)

## Questionnaire for the Applicant

**1) How would you introduce yourself?** (State your aims, expectations from life, hobbies, likes and dislikes, any philosophy you believe in)

Aim to have balanced life in terms of academics as well as sports. Wish to seek expertise in financial management. I am very fond of following football as a hobby and also as a professional. I dislike being a book worm. I believe in enjoying holistic life style encompassing all spheres of life, viz., personal, professional, academics, sports, hobbies, social life, family and friends.

**2) Why did you choose to do an IBDP?**

I wish to pursue IBDP since I believe this will give me a relatively more pragmatic approach towards academics, enabling me to assimilate the real essence of the subject matter, overcoming the orthodox rote learning approach. Further, I believe, IBDP will also prepare me towards a global student/citizen, broadening my thinking horizon.

**3) Have you any special achievements in the field of sports/ cultural activities/ community service etc?**

I have been following football at club level quite sincerely since the last couple of years, playing matches at club level as well as Maharashtra State League, at multiple positions on the field, primarily as a defender. I also represent my school football team as captain. Additionally, I have participated regularly in dance events in cultural programs/events at school level.

**4) Mention a person or an incident that has impacted your thoughts, actions and personality. Explain how you have been influenced.**

I am very influenced and motivated by the life and game of football legend Messi, especially in terms of his precision, speed and meticulous planning while performing on the field. I look towards Messi as my inspiration and mentor, who has inculcated passion in life towards football, who has given me a purpose in my life to evolve as a fine athlete and football player.

**5) The fears and challenges that you need to overcome.**

I need to overcome the challenge of accepting the critical feedback from my peers, friends, teachers, elders, parents. I need to overcome the fear of failure at any momentary level and prepare myself for a marathon race in academics and sports in my life.
